BOOMPODS

BEACHBOOM BLACK

Durable, water-resistant speaker made from ocean-recovered plastics

REF : BP-BEABLK

EAN : 5060746170257

EXISTS IN : BLACK, BLUE, WHITE

DESCRIPTION :

Beachboom invites you to take the party anywhere without harming the planet. This portable speaker, made from ocean-sourced materials, combines style, durability, and deep bass in a compact design ready for adventure. With IPX7 certification, Bluetooth 5.3 connectivity, and up to 5 hours of playtime, Beachboom is the perfect choice for the beach, your backpack, or the pool: powerful sound, extreme durability, and a real commitment to sustainability. Plus, every purchase supports global reforestation through One Tree Planted. Enjoy the best beats while caring for the world!

STRENGTHS :

- Sustainable material: made from ocean-sourced materials (TIDE / ocean material).
- Fully waterproof: IPX7 (temporarily submersible).
- Rugged and portable design: resistant to shocks, dust, and salt.
- Powerful bass: 5W driver + passive radiator for deep, defined lows.
- Modern connectivity: Bluetooth V5.3, compatible with Bluetooth 5.3 devices and earlier versions.
- True battery life: up to 5 hours of playback at 70% volume.
- Fast-charging battery: 1200 mAh battery, recharges in ~3 hours via USB-C (USB-A to USB-C cable included).
- Built-in microphone for hands-free calls.
- 12-month warranty.
- Plastic-free packaging and social commitment: supports reforestation with One Tree Planted.
- Lightweight and easy to carry: includes hanging strap.
