

POWERPOD 4-IN-1 QI2 FAST WIRELESS CHARGING STAND WHITE

Qi2/MagSafe Wireless Charger for iPhone, Apple Watch, Earbuds, and USB-C Devices

REF : AL-AL41WCPO-WH

EAN : 9350784102294

EXISTS IN : BLACK, WHITE

DESCRIPTION :

Experience the next generation of wireless charging with the ultra-fast Qi2 charger! Designed for demanding Apple and Android users, this multifunctional charger powers up your iPhone, Apple Watch, AirPods, and even your MacBook Air—all from one sleek device. Thanks to Qi2 technology, enjoy charging your MagSafe iPhones at twice the speed (up to 15W). Its foldable, compact design makes it perfect for both travel and everyday use, reducing clutter and eliminating the need for multiple cables. Maximize your space, minimize hassle, and keep all your devices ready—anytime, anywhere!

STRENGTHS :

- **Next-generation Qi2 wireless charging:** Up to 15W, twice as fast for MagSafe iPhones.
- **Quadruple 4-in-1 charger:** Charges iPhone, Apple Watch, AirPods, and another device via USB-C.
- **Universal compatibility:** Works with iPhone, Samsung Galaxy, Pixel, and more.
- **30W USB-C fast charging:** Enough for MacBook Air and other devices.
- **Foldable and portable design:** Perfect for travel and daily use.
- **Goodbye cables?!** Less cables, less clutter.
- **Ultra versatile:** Charges smartphones, laptops, and gadgets.
- **Magnetic alignment:** Snap On for a secure and efficient connection.
- **Made for Apple Watch certified:** Guaranteed performance and safety.
- **Premium materials:** Ensures durability and elegance.
