

ILLUMINATE USB-C LIGHT BAR WITH 4K AUTOFOCUS WEBCAM

LED light bar with 4K autofocus camera, 12MP sensor, adjustable brightness and color temperature, USB-C and wireless remote

REF : AL-ALCMILSGR

EAN : 9350784102386

EXISTS IN : GREY

DESCRIPTION :

Bring clarity and impact to your video calls with the Illuminate USB-C Bar. Combine soft, adjustable lighting with a 4K autofocus webcam for a sharp, professional look — even in low light. Easy to set up and powered by a single cable, it instantly transforms your workspace. The perfect blend of refined design and performance, by ALOGIC.

STRENGTHS :

- **4K Autofocus Camera (12 MP):** Resolution up to 4000x3000 with support for 4K @30FPS, 1080p @60FPS, and 720p @60FPS.
- **80° Field of View:** Balanced and natural framing for video conferencing.
- **Autofocus (20 cm to 3 m):** Perfect for all work environments.
- **Flicker Reduction (50Hz/60Hz):** Stable image quality in all lighting conditions.
- **Integrated LED Light Bar:** Adjustable brightness (0-100%) with variable color temperature from 2800K to 6500K.
- **Touch Controls:** Easily turn on/off and adjust brightness or color temperature.
- **Detachable Magnetic Privacy Cover:** Ensures security between calls.
- **USB-C Connectivity (USB 2.0):** Fast, universal connection for power and video transmission.
- **Universal Compatibility:** Works with Windows®, macOS™, Android, Linux, and apps like Teams, Zoom, Skype, and more.
- **Wireless Remote Included:** Rechargeable (1000 mAh), USB-C connected, with touch controls.
- **Premium Materials:** Sleek and durable design made of aluminum and ABS.
- **Dimensions (camera + light bar):** 480 mm (W) × 93 mm (D) × 47.5 mm (H) – Weight: 327g.

CHARACTERISTICS :

Light Bar :

- Product Dimensions: 480mm (L) x 93mm (D) x 47.5mm (H)
