

ARK PRO 27,600MAH POWER BANK – 160W USB + CABLE USB-C 50CM

27,600mAh Power Bank – Ultra-Fast Charging, Multi-Device, Airline Approved

REF : AL-AP27KPB160W

EAN : 9350784101860

EXISTS IN : GREY

DESCRIPTION :

Equipped with a massive 27,600mAh capacity—the largest battery permitted on airplanes—Ark Pro allows you to fast charge your laptop, phone, and tablet all at once. With dual USB-C and USB-A ports, you can keep all your devices powered wherever you are, whether on a plane, at the office, or on the beach. Its robust design includes a handy built-in USB-C cable holder, advanced safety features, a smart display, and an ultra-portable size for effortless travel. With Ark Pro, you're always ready for anything.

STRENGTHS :

- **Massive 27,600mAh Capacity:** Enough power for long flights and multiple devices.
- **140W USB-C Fast Charging:** Instantly charge any USB-C laptop, including MacBook Pro.
- **Triple Fast Charging:** Power up to three devices at once (two USB-C and one USB-A, up to 160W combined).
- **Always-Ready USB-C Cable:** Clip-on cable holder ensures you never lose your cable.
- **Smart Display:** Clear and easy-to-read screen for battery and charging status.
- **Robust Safety:** Advanced thermal, over-voltage, and over-current protection.
- **Ultimate Portability:** Compact and easy to carry in any bag—perfect for travel.
- **Universal Charging Solution:** Compatible with laptops, tablets, phones, and accessories.
