EXISTS IN : BLACK, PINK, BEIGE

**DESCRIPTION :**

Stay powered anywhere with the OntheGo™ Power Bank with Stand. Designed for a mobile lifestyle, its compact and ultra-portable design houses a 5,000mAh battery that delivers 15W fast charging. Magnetic attachment ensures easy alignment, and a quick press of the power button starts charging your device instantly. Built with intelligent safety features to prevent overheating, it provides a safe and reliable charging experience. The built-in stand features sturdy, durable hinges that allow for smooth adjustments, giving you the flexibility to find the perfect viewing angle. It enables convenient hands-free viewing in both portrait and landscape modes. Slim, lightweight, and stylish, the power bank features an aluminum frame, premium material, and a soft silicone charging surface for precise magnetic alignment.

STRENGTHS :**Compact and Portable :**

Designed for life on the move, the OntheGo™ Power Bank features a slim, lightweight build that fits seamlessly into your busy routine. Whether you're at the office, your favorite coffee shop, or traveling, you can easily slip it into your purse or carry-on for a quick battery boost wherever you are.

Latest Qi2 Technology :

Power up from anywhere with fast, reliable 15W wireless charging—twice as fast as standard 7.5W wireless charging. The OntheGo™ Power Bank with Stand attaches effortlessly to your device with a secure magnetic connection, delivering an efficient, worry-free charge.

Built-In Stand :

Enjoy hands-free viewing with the built-in stand, which supports both portrait and landscape modes. The adjustable hinge allows you to find the perfect angle for any situation, ensuring an optimal viewing experience whether you're using StandBy mode to keep track of time, watching videos on a flight, or presenting in full-screen mode. Comfort and convenience

anytime, anywhere.

Premium Design :

With a sleek aluminum frame and soft-touch silicone charging surface, the OntheGo™ Power Bank with Stand perfectly blends style and function.
