USB-C MINI NVME SSD ENCLOSURE SPACE GRAY

Compact 2230 NVMe SSD enclosure with USB-C connector, active cooling and transfer speeds up to 10 Gbps

REF : SA-ST-E2230M

EAN : 0810086361359

EXISTS IN : GREY

DESCRIPTION :

Unlock the full potential of portable high-speed storage. Optimized to read 2230mm NVMe solid-state drives with speeds up to 10Gbps, the Enclosure harnesses Gen 2 USB-C technology to transfer files significantly faster than traditional SATA SSDs. It boasts interchangeable storage and tool-free installation, giving users the flexibility to effortlessly switch between multiple SSDs depending on their needs. It also enables Apple ProRes Log on iPhone 15/16 Pro, a high-quality video format that enhances shooting and post-editing capabilities. Small and compact, the Enclosure includes a lanyard cable that is perfect for on-the-go use, eliminating the need for additional cables during travel.

STRENGTHS :

Faster Transfer Speeds
Transfer files, photos, games, and videos with lightning-fast efficiency. Our enclosure supports 2230mm NVMe SSDs with speeds up to 10Gbps, allowing you to transfer 3,000 high-res images in under a minute.

Enhanced Storage
Easily expand your storage with interchangeable SSDs. Upgrade as your needs grow and keep your data safe by removing and storing SSDs separately. The write lock switch protects your files from accidental changes and malware, ensuring your data stays secure.

Self-Cooling
Featuring a quiet fan and built-in air vents for extra ventilation and maximum efficiency.

Designed for Travel
Compact and lightweight, the enclosure includes a handy braided USB-C cable that doubles as a lanyard. With tool-free assembly and a silicone pin to keep your SSD secure, it's ideal for travel and commuting.

Premium Build

Featuring a sleek aluminum enclosure with chamfered edges, a transparent, scratch-resistant tempered glass cover, and a stylish braided USB-C lanyard cable.

Multiple Device Capability

Seamless sharing across devices––back up, recover, and transfer with ease.

CHARACTERISTICS :

Connector Type : Type-C, USB-C 3.2 Gen 2, Thunderbolt 3/4, USB4 Compatible

Dimensions & Weight

- Length: 1.8 in / 45 mm
- Width: 1.2 in / 30 mm
- Height: 0.5 in / 13 mm
- Weight: 1.2 oz / 35 g

Cable Length: 7.8 in / 200 mm

Speed

- 1x M.2 NVMe 2230 SSD slot
- 1x Type-C USB3.2 Gen 2 (1250 MB/s) Up to 10Gbps
