Ultra-slim tracking card with Apple Find My technology, wireless charging and water-resistant design

REF : SA-ST-LFAWCK

EAN : 0810086361212

EXISTS IN : BLACK, PINK, BEIGE

**DESCRIPTION :**

Keep your essentials secure and within reach with the FindAll™ Card, the sleek and durable accessory designed for modern life. Designed to slide seamlessly into your wallet, this slim tracker integrates with Apple Find My technology to offer reliable location tracking wherever life takes you. Built from premium aluminum and tempered glass, it's not only stylish but also tough enough to handle the rigors of daily use. With a rechargeable battery and water-resistant (IP66-rated) construction, the FindAll™ Card ensures you can move forward with confidence, knowing your belongings are never far away.

STRENGTHS :**Find My Compatibility**

Stay effortlessly connected to your belongings with the Find My app. By pinging your FindAll™ Card, you can trigger a loud, audible chime and receive precise directions to your item's location. Instantly receive an alert if you leave your belongings behind. With a connection range of 10-20 meters indoors and 20-50 meters outdoors, the FindAll™ Card ensures you can quickly locate your wallet, whether it's slipped between couch cushions or left on a coffeeshop table.

Wireless Charging

Gone are the days of disposable batteries. The FindAll™ Card features a wirelessly rechargeable battery that lasts up to 16 months on a single charge, ensuring long-term convenience. Its battery is compatible with any Qi, Qi2, or MagSafe charger, making recharging as simple as setting it down.

Premium Design

Its credit card-sized profile fits seamlessly into any wallet without adding bulk, and the rounded edges feel comfortable in hand. Crafted from a blend of aluminum and tempered glass, it delivers a sleek, lightweight design that's tough enough to handle the bumps and scrapes of everyday life. Built to keep up with your lifestyle, the FindAll™ Card is rigorously tested to withstand humidity, temperature shifts, and impacts. Plus, with an IP66 water-resistant rating, it can handle accidental spills,

splashes, and even brief submersion, so you can trust it to stay protected no matter where you wander.

Sustainable Build

Aligned with our commitment to reducing environmental impact, the FindAll™ Card is designed with sustainability in mind. The rechargeable battery extends its lifespan compared to traditional alternatives, while the slim profile reduces packaging size and weight, minimizing waste and conserving resources.
