

MAGFORCE DUO PLAY 2-IN-1 ADAPTER

2-in-1 USB-C Adapter with 4K 60Hz HDMI and 1080p VGA

REF : AL-ULCVGHD-SGR

EAN : 9350784020673

EXISTS IN : GREY

DESCRIPTION :

MagForce DUO Play 2-in-1 Adapter is designed for connecting a USB-C enabled computer (Windows/Mac/Chromebook) to HDMI or VGA enabled monitors and other display devices such as TVs and projectors.

The adapter supports display resolutions up to 4K Ultra HD (3840 x 2160). The device's compact form factor and minimal footprint make it perfect for on-the-go or at a desk use.

STRENGTHS :

Made Compact with Patented MagForce Technology

Discreetly Store Your Adapter for WFH and Mobile Work MagForce technology, which appears in ALOGIC products for the first time in 2021, magnetically contains your in-built adapter cable when idle, significantly reducing space it occupies on desks or in bags.

Connect Your Laptop to More Screens

Discreetly Store Your Adapter for WFH and Mobile Work MagForce technology, which appears in ALOGIC products for the first time in 2021, magnetically contains your in-built adapter cable when idle, significantly reducing space it occupies on desks or in bags. More Screen Space for Laptop Activity ALOGIC's MagForce USB-C to HDMI and VGA Adapter, a two-in-one adapter for your USB-C devices, can mirror or extend your laptop screen with the vast majority of HDMI or VGA displays you interact with at home, work or remotely.

Lightweight Design for Maximum Portability

Take it Anywhere ALOGIC engineers designed the MagForce with portability and convenience top of mind. The 44-gram adapter's slimline features make it a perfect travel companion in your bag or pocket.

A Long-Life Adapter

Reliable Connectivity for Daily Display Needs The MagForce is purpose-built to stand up to the daily push and pull of an adapter's life. It is constructed out of an exceptionally resilient mix of metal alloy casing, soft-touch TPE [thermoplastic elastomer] shielding, and silicon reinforcement, so you can enjoy your displays without the disruption poorly constructed adapters cause when they falter. The MagForce's sleek mix of matte and aluminium materials also complements the design aesthetic of modern laptops. ALOGIC backs the adapter's durability with a two-year warranty.

CHARACTERISTICS :

Physical Characteristics :

- Dimensions: Folded: 33 x 13 x 90 mm (L x W x H) / Unfolded: 33 x 13 x 175 mm (L x W x H)
- Cable Length: 75mm (approx.)

Resolution :

- HDMI: 4096x2160@60Hz | VGA: 1920x1200@60Hz | Outputs will be mirrored and limited to 1920x1080 when both outputs are used simultaneously - independent images can't be displayed when connected to two displays at the same time.
- Input : USB Type C (Male)
- Output : HDMI (Female) x1 VGA (Female) x1
