OntheGo™ 2-in-1 USB-C Lanyard Cable with integrated strap for fast charging and hands-free data transfer

REF : SA-ST-LOTGLR

EAN : 0810086362523

EXISTS IN : BLACK, PINK, BEIGE

DESCRIPTION :

Designed for the modern multitasker, the OntheGo™ USB-C Lanyard Cable is more than just a stylish accessory—it's a first-of-its-kind innovation that keeps you connected wherever life takes you. Featuring a built-in USB-C to USB-C cable for fast charging and data transfer, it eliminates the need for extra cables while ensuring your phone stays secure, hands-free, and powered up. Unlike standard lanyards, this one expertly blends functionality, durability, and everyday convenience in a sleek, travel-friendly design. Whether you're navigating a busy city, heading to a concert, or catching a flight, the OntheGo™ USB-C Lanyard Cable makes staying connected easy.

STRENGTHS :

2-in-1 Crossbody Lanyard + Built-in USB-C Cable
Your cable, always within reach : This isn't just a lanyard, it's a fully integrated USB-C to USB-C cable that supports both power and data. Secure it to your phone and wear it crossbody or around your neck for hands-free ease. When you want to pocket your phone or hand it off, simply unclip the stylish carabiner and leave the connector card in place, ready for quick re-attachment

Built Tough for Real Life
Durability never looked this good : A flexible braided exterior resists wear and tear, while the sleek aluminum cap protects your USB-C ends. Plus, the 1.5m (4.9ft) adjustable length ensures comfort for all-day wear.

Quick File Transfers Without the Fuss
Skip the search for a spare cable : Need to offload photos or grab a file on the fly? The 480Mbps transfer speed means your data moves as fast as you do, no cable digging required.

Fast Charging When You Need It Most
With up to 60W of charging capability, you can plug into any USB-C port or compatible power bank and fuel up your device in minutes, not hours.
