DESCRIPTION :

Paperlike Pencil Tips are durable replacement tips for Apple Pencil. Their special surface adds light friction to recreate the feeling of writing or drawing on paper, especially when used with a matte screen. Made from reinforced material, they last up to 10 times longer than standard tips. Easy to screw on, they are compatible with all Apple Pencil models and come in a pack of 4 with a practical storage case.

STRENGTHS :

- **Ultra-durable:** Made from a tough material, these tips last up to 10× longer than Apple's standard ones. Perfect for everyday creative use.
- **Enhanced paper feel:** Adds just the right amount of friction and control on a Paperlike screen protector or nano-textured iPads — like writing on slightly rough paper.
- **Compatible with all Apple Pencils:** Works with Apple Pencil 1st/2nd gen, USB-C & Pro models, and the Logitech Crayon.
- **Refined pencil style:** Charcoal tip with blue base — a classic and original touch for your creative setup.
- **Practical and secure:** Easy to screw on, delivered in a smart case that keeps the tips organized — no more lost tips.
