EAN : 1200130025723

EXISTS IN : BLACK, BLUE, MULTICOLOR

DESCRIPTION :

It's time to live to the fullest!

It's time to live to the fullest! The JBL Xtreme 4 portable waterproof speaker delivers massive, next-level JBL Pro Sound with incredible dynamics—even at the highest volume—thanks to two powerful woofers and two high-frequency drivers. The dual-pumping JBL passive radiators give you deeper bass that gets you moving. Want to take your music outdoors? The convenient shoulder strap makes it easy, while the rugged rubber bumpers and IP67 water and dustproof protection mean that a sudden downpour or a dip in the lake won't stop the fun. When it's time to create an even bigger audio experience, pair two Xtreme 4 speakers for stereo sound. Or, for your next party, use Auracast to connect the Xtreme 4 to any compatible JBL portable speaker—so your friends lounging by the pool can enjoy the same playlist as those chatting indoors. With 24 hours of battery life and a handy power bank for your device, you won't need to recharge until the next morning. All of this, plus it's made from recycled plastic and fabric. The JBL Xtreme 4 delivers thrilling sound wherever you are.
