

20W FUEL SERIES 5 POWERBANK 10.000 MAH MIDNIGHT BLACK

10.000 mAh External Battery

REF : XT-FS5101U

EAN : 8718182279627

EXISTS IN : WHITE, BLACK, BLUE, GREEN

DESCRIPTION :

This 10.000mAh Power Bank features two USB-C ports, and one USB-A port. The 20W USB-C PD output is perfect for fast charging all kind of mobile devices. The housing of the Power Bank is mostly made from recycled plastics, in support of a sustainable future.

The beautiful contemporary, yet calming color of this FS5 Power Bank, fits perfectly with the unique pattern on the Power Bank. Making it a gorgeous finished product to take with you, wherever you go!

STRENGTHS :

Powerful 10,000mAh Capacity

Never run out of battery again! With a robust 10,000mAh capacity, this Xtorm Power Bank provides more than enough power to keep your devices charged throughout the day—whether you're traveling, hiking, or simply on the go. It's enough to fully recharge your smartphone at least twice!

Fast Charging with 20W USB-C PD

This Power Bank features a high-speed 20W USB-C Power Delivery (PD) port, ensuring fast charging for smartphones, tablets, and other compatible iPhone and Android devices. The Power Bank itself can also be fully recharged in just 3.5 hours!

Three Ports for Maximum Versatility

Need to charge multiple devices at once? No problem! The Power Bank offers three ports: a powerful 20W USB-C PD port, an additional 18W USB-C port, and an 18W USB-A port. You can now charge your phone, tablet, and a friend's device—all at the same time.

Eco-Friendly Design

By choosing GRS-certified recycled plastic as the main material for this Power Bank, we give new life to existing resources—diverting plastic waste from landfills and oceans, where it would otherwise take centuries to decompose. Using recycled plastic not only benefits the planet but also meets the highest standards of quality and durability.

Flight-Proof: Travel with Confidence!

This Power Bank complies with all airline safety regulations, making it suitable for carry-on luggage. Stay powered during long flights and layovers without any hassle.

Safety First

The Power Bank is equipped with multiple advanced safety features to protect your connected devices as well as the Power Bank itself. Built-in safeguards against overcharging, short circuits, and overheating ensure you can charge your devices worry-free.

CHARACTERISTICS :

- Capacity: 10000 mAh
- Power: 20 W
- Length: 14 cm
- Width: 7 cm
- Height: 2 cm
- Weight: 218.00 g
- Input Type: USB-C PD
- Output Type: USB-A Quick Charge 3.0, USB-C PD
- Number of Outputs: 3
- Output 1: USB-C PD / 20 W
- Output 2: USB-C PD / 18 W
- Output 3: USB-A Quick Charge 3.0 / 18 W
- Material: 100% GRS Recycled Plastics, ABS, PC
- Water Resistant: N/A
- Charging Time: 2.5 hours
