Enjoy anytime, anywhere

Easy to grab and carry, the JBL Grip speaker is always within reach.

The JBL Grip packs a punch for its size. Despite its compact form, it delivers powerful professional sound with punchy bass and crisp highs. Whether you're stretching in the morning or chilling at the beach, the JBL Grip is our go-to speaker.

The integrated ambient light on the back panel adapts to any setting—perfect for a romantic evening or a spontaneous party with friends. Use the convenient control button on the side panel to switch between lighting themes. Whether you're relaxing or celebrating, the vibe is always right.

And did we mention it's tough? The JBL Grip is built to handle it all. With IP68 waterproof and dustproof rating, it's ready for any adventure. Its drop-resistant design means it can hit concrete without missing a beat.

On top of that, it offers up to 14 hours of battery life with Playtime Boost. During hangouts, use Auracast™ to pair two Grip speakers in stereo for instant surround sound. Want to go bigger? Connect as many JBL Auracast™-compatible speakers as you want for a full immersive audio experience.

The JBL Grip is as flexible as you are.

STRENGTHS :

Powerful JBL Pro Sound

Though the JBL Grip fits in your hand, it delivers bold JBL Pro sound. With AI Sound Boost, it analyzes music in real time using an algorithm to optimize output for punchier sound with less distortion.

Up to 14 Hours of Playtime

Keep the vibe going for 12 hours on a single charge, plus 2 extra hours with Playtime Boost when the party just won't stop.

Ambient Light

The speaker's back panel features integrated ambient lighting with unique themes and color options, so you can match the mood to your playlist. Use the JBL Portable app to adjust brightness and lock in your favorite look.

Water, Dust, and Drop Resistant

The JBL Grip is built to withstand everyday bumps and surprises. With its IP68 rating for dust and water resistance, it's also drop-resistant and continues playing even after a one-meter fall onto concrete.

Multi-Speaker Connection with Auracast™

Want to share the moment? Thanks to Auracast™, you can easily pair two Grip speakers for stereo sound, or connect multiple JBL Auracast™-compatible speakers to fill any space with your playlist.

JBL Portable App

Customize the Grip speaker's sound with a 7-band EQ, lighting color and intensity options, and get updates and support straight from the JBL Portable app. That way, you can always match the sound and lighting to your mood—wherever you are.

Recycled Plastic & Fabric + FSC-Certified Paper Packaging

Made with post-consumer recycled plastic and fabric on the speaker grille, the JBL Grip delivers powerful sound with less impact on the planet. It also comes in FSC-certified paper packaging printed with soy ink.
