

## TUNE 205 BLACK

Wired earbuds

REF : HA-JBLT205BLKE

EAN : 1200130022845

EXISTS IN : BLACK, GOLD

### DESCRIPTION :

**Powerful Pure Bass sound. Now you can even take it with you.**

Discover the JBL T205 earbuds with JBL Pure Bass sound. They are lightweight, comfortable, and compact. Beneath the premium metallic housing, a pair of 12.5 mm drivers deliver deep, powerful bass, while the ergonomically shaped soft ear tips ensure a comfortable listening experience for hours. In addition, a single-button remote lets you easily control your music and answer calls with the built-in microphone, making the JBL T205 your everyday companion for commuting, work, and home.

### STRENGTHS :

#### **JBL Pure Bass Sound**

For nearly 70 years, JBL has worked tirelessly to perfect the precise, impressive sound found in the world's most iconic venues. These earbuds reproduce that signature JBL sound, delivering bass that is both deep and powerful.

#### **One-Button Remote with Microphone**

Control your music with the convenient one-button universal remote. Got a call? Answer it effortlessly with the built-in microphone.

#### **Tangle-Free Flat Cable**

The T205 features a durable flat cable that won't tangle.

**Comfortable Ergonomic Earbuds**

The soft, ergonomically shaped earbuds provide long-lasting listening comfort.

**Premium Metalized Housing**

High-quality finishes give your earbuds (and you) a stylish, elegant look.

**Soft Carrying Pouch**

The T205 can be easily stored and carried in the soft pouch included.
