DESCRIPTION :

This PanzerGlass® screen protector combines two key elements for an optimal experience: Ultra-Wide Fit tempered glass for enhanced protection, and the FastFit in-a-box system for quick, error-free installation.

Thanks to this all-in-one pack, applying the screen protector is a breeze: simply place your iPhone in the included tray and pull the tab to automatically align the glass perfectly. The result: no misalignment, bubbles, or dust.

The Ultra-Wide Fit design covers a large portion of the screen while maintaining excellent display clarity and full touch sensitivity.
