DESCRIPTION :

RUGGED CASE - Extreme Protection for your iPhone

Adventure with total confidence thanks to our Rugged Case, designed to withstand the most demanding challenges. With fortified bumpers and drop protection up to 15 feet, this case combines extreme durability with smart functionality. Surprisingly lightweight yet incredibly tough, it's perfect for those who need maximum protection without compromising access to all iPhone functions.

STRENGTHS :

- Durable TPU bumpers and reinforced camera ring
- Polycarbonate frame with PET backplate
- Grooved and tactile anodized aluminum buttons
- Drop protection up to 15 feet
- Dual attachment points for wrist strap
- Full compatibility with MagSafe and wireless charging
- Ultra-thin nickel-plated neodymium magnets integrated
- 800-1100gf magnetic force with Apple-certified accessories
- Microfiber interior for additional protection
- Fortified corner bumpers for maximum impact absorption
- Matte fingerprint-resistant backplate
- Lay flat design that allows device to rest on any surface
- Height above screen: 1.11mm (bottom) / 1.85mm (sides and top)
- Bumper thickness: 3.3mm for robust protection
- Precise cutout for Camera Control button

- Compatible with 5G networks without interference

COMPATIBILITY :

iPhone 17 Pro
