DESCRIPTION :

Paperlike™ 3 gives your iPad the true paper-feel experience, refined over years of creator feedback and innovation. With Nanodots™ surface technology and the all-new Butterfly™ Application System, it delivers unmatched control on-screen and the smoothest, cleanest install we've ever offered.

STRENGTHS :

- **Signature Paper-Feel** – Nanodots™ surface delivers consistent resistance for sharper handwriting and precise sketches.
- **Ultra-Responsive** – Engineered under Apple's thickness limit to keep Apple Pencil input instant and pixel-perfect.
- **Protects Your Tools** – Gentle surface balances control with durability, extending the life of your Apple Pencil tip.
- **Screen Protection** – PET base shields your iPad against scuffs and scratches from daily use.
- **Butterfly™ Application System** – Full-surface dust catcher, Clean Room Effect, alignment tools, and on-screen guide for flawless installation.
- **Trusted Original** – Refined through years of user feedback, engineered in Germany, manufactured in Switzerland, and trusted by over a million creators worldwide.
