## CAMERA HUB G2H PRO

Wi-Fi Zigbee 3.0 Hub Camera with HomeKit and Smart Control

REF : AQ-CH-C01

EAN : 6970504215986

EXISTS IN : WHITE

### DESCRIPTION :

Aqara Camera Hub G2H Pro is an intelligent product that integrates dual functions of camera and hub. It has functions such as video intercom, motion detection, sound detection, MicroSD card recording, NAS storage, timelapse, privacy area covering and so on. It can also be used as a Zigbee hub in collaboration with other sensors, controllers, and other accessories to realize the functions such as home guard, data reporting, and smart control. It also supports HomeKit Secure Video.

### STRENGTHS :

#### Security Camera:

- Full HD 1080p with invisible night vision
- Wide 146° angle
- Detects movement, sounds and recognizes faces
- MicroSD card recording up to 512GB

#### Control Hub:

- Connects sensors, switches and other devices
- Compatible with Alexa, Google Home and Apple HomeKit
- Remote control from your mobile
- Smart automations

#### Special Features:

- Built-in siren and instant notifications
- Custom ringtones and timelapse function

- Configurable privacy zones
- No mandatory subscriptions

#### **Usage Examples:**

- Security: Detects movement ? Turns on lights ? Sends notification
- Welcome: Recognizes arrival ? Plays custom message ? Disarms alarm
- Emergency: Sensor detects problem ? Siren sounds ? Immediate alert

#### **Installation:**

- Magnetic base or wall mounting
- 360° rotating stand
- Setup from Aqara Home app
- You only need Wi-Fi and smartphone

#### **Advantages:**

- All integrated: camera + hub + siren
- Local recording without subscriptions
- Expandable according to your needs
- Privacy guaranteed
- One app for everything

Perfect to start your smart home and grow step by step.
