

## UA-124470B1

iPad case with integrated 360-degree rotating handle

REF : UA-124470B1

EXISTS IN : racine

### DESCRIPTION :

The Plasma Series iPad case is designed for those who need to get the most out of their device. The comfortable 360-degree integrated rotating handle offers superior handling and makes working on the go easier. Apple Pencil (1st generation) and Logitech Crayon holder allow you to keep your stylus safe and close at hand. In addition to being tested with medical-grade wipes, this ensures that the case remains unaffected when using such wipes. Mil-Spec 810G certified means this case has undergone rigorous testing for 4-foot (1.2-meter) drops to protect your device from accidental falls.

### STRENGTHS :

- Integrated 360-degree rotating handle, built-in kickstand, and screen protector
- Covers ports, buttons, and speakers. Medical-grade wipe tested
- Apple Pencil (1st generation) and Logitech Crayon holder
- Works with the UAG shoulder strap (not included)
- MIL-STD-810G 516.6
- The product comes in environmentally friendly packaging
