Ultra-Durable 240W USB-C to USB-C Charging Cable with Power Delivery and Data Sync (1.5m)

REF : XT-CX3091

EAN : 8718182278927

EXISTS IN : BLACK

DESCRIPTION :

This powerful 240W UltraCharge+ USB-C PD cable is perfect for devices that require up to 240W of power. The 1.5m braided cable is durable and ideal for charging your latest MacBook, Chromebook, gaming laptop, or any other USB-C device at lightning speed. Of course, this cable is also suitable for charging your smartphone or drone. You can easily take this cable with you, as the cable tie keeps it neatly rolled up. Wherever you go, this USB-C PD cable is fully #NextGenProof!

STRENGTHS :

- **Ultra-strong and secure connection:** USB-C connectors reinforced with Xtorm C-Lock technology for a firm and long-lasting fit.
- **Durable braided cable:** Xtorm xFlex design with a reinforced core and Duo Core connector for extended durability.
- **Integrated cable collar:** Made with high-quality materials for exceptional longevity.
- **Built-in E-marker chip:** Protects against overheating and ensures safe data and power transfer.
- **Sustainable materials:** Made with FlexCore (inner) and DuraCore (outer) using GRS-certified recycled TPU.
- **Ultra-flexible:** Withstands over 30,000 bends without breaking, even under 80 kg of weight.
- **Perfect for travel:** Designed to endure camping, hiking, or everyday transport — #NextGenProof.
