DESCRIPTION :

echobuds are True Wireless earbuds designed for those who want great sound and all-day comfort. With 13 mm drivers, you get deep bass and an immersive musical experience; the portable case extends battery life up to 19 hours total. Their secure fit, soft-touch finish, and IPX4 rating (sweat-resistant) make them ideal for daily use and light sports. Built-in touch controls allow you to manage music, calls, and volume without taking out your phone. Available in Black, Sand, Sky Blue, and Peppermint, echobuds combine style, performance, and practicality with USB-C charging and fast charge: 5 minutes gives 1 hour of playback. Additionally, BoomPods maintains its environmental commitment with One Tree Planted.
