DESCRIPTION :

BoomTag Luggage is the smart luggage tag that gives you peace of mind on every trip. With a built-in tracker compatible with Apple Find My and Google Find My Device, BoomTag lets you instantly locate your luggage from your phone. Its sturdy and discreet design includes a sliding lock that protects your personal information: only the person who finds the suitcase can unlock and view the contact details you've chosen to share. Additionally, BoomTag is made from responsible materials (80% ocean-bound plastic + 20% post-consumer recycled plastic) and features wireless charging to keep the battery always ready. Security, sustainability, and ease of use in an accessory designed for worry-free travel.

STRENGTHS :

- Built-in tracker: locate your luggage with Apple Find My and Google Find My Device.
- Secure privacy: sliding lock hides contact information until the finder unlocks it.
- Sustainable material: 80% ocean-bound plastic + 20% post-consumer recycled plastic.
- Rechargeable and practical: supports wireless charging to avoid disposable batteries.
- Travel-friendly design: made for suitcases, backpacks, and bags, with a hanging hole.
- Discreet and durable: sleek finish and construction suitable for travel use.

- Easy to use: native integration with Find My networks for instant location.
- Ideal for airports and parking lots: locate luggage in crowded areas or unfamiliar locations.
