

BEACHBOOM 12 BLACK

Portable speaker: 40 h battery, water-resistant

REF : BP-BEMBLK

EAN : 5060746170844

EXISTS IN : BLACK, BLUE

DESCRIPTION :

Enjoy music all day long with a device designed for life at the beach. This portable speaker combines 12 W of power with two passive radiators for clear bass, up to 40 hours of battery life, and fast charging in 2.5 hours. Its rugged design and IPX7 rating make it resistant to water, sand, and impacts, while its housing incorporates ocean-recovered plastic; in addition, your purchase supports global reforestation projects. With Bluetooth 5.3, dual pairing (TWS), integrated controls, and hands-free calling, it delivers simple connectivity and reliable performance for your outdoor adventures.

STRENGTHS :

- Long battery life: up to 40 hours for parties and extended use.
- Rugged portability: reinforced design suitable for beach and outdoor environments.
- IPX7 water resistance: safe to use near water and in humid conditions.
- Balanced sound with enhanced bass thanks to passive radiators.
- Modern connectivity: Bluetooth 5.3 and dual pairing/TWS.
- Sustainable materials: contains ocean-recovered plastic.
- Practical functionality: integrated controls and hands-free calling.
- Fast USB-C recharging and 24-month warranty.
