

ZERO XL SPEAKER OCEAN TIDE BLUE

Mini waterproof speaker: 9 h battery life

REF : BP-ZXLBLU

EAN : 5060746170806

EXISTS IN : BLACK, BLUE, WHITE

**DESCRIPTION :**

Small in size, big in impact. This portable speaker combines powerful bass with a rugged IPX7 design to accompany you at the beach, by the pool, or in the city. Thanks to its practical bungee cord, you can hang it wherever you like; it offers up to 9 hours of playback, fast recharging in 2 hours, and TWS connectivity to pair two units. Made with materials sourced from the ocean and supporting global reforestation with every purchase, it's the perfect choice for those who want quality sound, mobility, and environmental commitment.

STRENGTHS :

- Big Bass in a compact format.
- Fully waterproof (IPX7): ideal for outdoor and near-water use.
- Extreme portability: 75 × 75 × 75 mm and bungee cord for easy hanging.
- Daily battery life: up to 9 hours of playback (70% volume) and 2-hour charging.
- Modern connectivity and practical features: Bluetooth 5.3, TWS, selfie control and hands-free calling.
- Sustainable materials and support for One Tree Planted.
- 24-month warranty and USB-A to Type-C cable included.
