

## SNAPGRIP PRO MIDNIGHT

Mobile battery grip with Qi2 and 20W PD for creators

REF : SC-S-AA03-MN

EAN : 0659629334630

EXISTS IN : BLACK

### DESCRIPTION :

SnapGrip Pro combines the comfort of an ergonomic grip with a built-in battery and Qi2 wireless charging: get your smartphone ready for long photo and video sessions with quick magnetic mounting and the power needed to keep creating without interruptions.

### STRENGTHS :

- More active time: 5,000 mAh and fast charging to extend recordings, live streams, and off-site sessions.
- Ultra-fast wireless charging: 15W Qi2 for cable-free charging faster than standard Qi.
- Camera-style handling: ergonomic design inspired by digital cameras for better stability and control.
- Instant setup: magnetic mounting system allows attachment and removal in seconds.
- Compact and lightweight: weighs only 183 g, easy to carry in your shooting kit.
- Durable construction: case with polycarbonate resin coating and multi-layer optical (AR) coating for durability and quality finish.

### CHARACTERISTICS :

- Net weight: 183 g.
- Powerbank capacity: 3.7 V / 5000 mAh — 18.5 Wh.
- Wireless charging: output up to 15 W, Qi2 certified.
- USB-C output: PD 20 W (DC 5V/2A; 9V/2.22A).
- USB-C input: PD 20 W (DC 5V/2A; 9V/2.22A).
- Total output power (combined): 15 W.
- Materials: polycarbonate resin case; multi-layer AR coating.

- Design and mounting: ergonomic grip with magnetic mounting system for quick attachment (compatible with magnetic rings / MagSafe systems depending on device).

## **COMPATIBILITY :**

MagSafe, Certified Qi2
