

## **SNAPSTAND SELFIE MIDNIGHT**

3-in-1 tripod and magnetic selfie stick, compact and adjustable

REF : SC-S-AB02-MN

EAN : 0659629457773

EXISTS IN : BLACK

### **DESCRIPTION :**

The SnapStand Selfie combines tripod, selfie stick, and stand in a single magnetic, foldable accessory. It extends up to 75 cm to achieve the perfect angle and folds down to the size of an iPhone Pro Max to take it everywhere. Ideal for vlogs, video calls, group photos, and creators seeking versatility and quick setup.

### **STRENGTHS :**

- 3-in-1 all-in-one: quickly switch between tripod, selfie stick, and stand depending on the shot.
- Portable and compact: folds down to 17.3 cm to fit easily in any bag.
- Extended reach: extends up to 75 cm for wider perspectives and better framing.
- Instant setup: magnetic system compatible with MagSafe and magnetic rings for secure attachment in seconds.
- Wireless remote control: Bluetooth shutter included for photos and videos up to 10 m.
- Flexible positioning: tilt head makes it easy to find the perfect angle.
- Reliable construction: lightweight aluminum provides stability without excessive weight.
- Ready-to-use kit: includes Bluetooth remote and SecureStrap for added safety when used as a selfie stick.
