

SNAPPOCKET LIGHT MIDNIGHT

Portable magnetic LED light with built-in mirror

REF : SC-S-AC01-MN

EAN : 0799793506782

EXISTS IN : BLACK

DESCRIPTION :

Discover the Snappocket Light: the ultra-portable LED lamp that illuminates your content in an instant. Designed for mobile creators, it easily attaches thanks to its reversible magnetic mount and flips for perfect hands-free lighting in portrait or landscape mode. With 4 intensity levels and a neutral 6000 K color temperature, it delivers a clear and even light — twice as bright as an iPhone flash — for flawless videos, selfies, and lives even in the dark. Compact, USB-C rechargeable, and equipped with a built-in mirror for final touch-ups, the Snappocket Light is your ally to always stay ready under the spotlight.

STRENGTHS :

- Ultra-portable: compact format that's easy to slip into a pocket or bag.
- Powerful, adjustable lighting: 4 brightness levels to adapt to any condition.
- Twice as bright as an iPhone flash, for clear shots even in low light.
- Reversible, pivoting magnetic mount to position the light quickly and securely.
- Hands-free use: practical lighting for lives, vlogs, selfies, and video calls.
- Built-in mirror: quick check of your appearance before you start recording.
- Rechargeable via USB-C for simple and fast charging.

CHARACTERISTICS :

- Luminosity: 90 lumens, adjustable over 4 levels.
- Color temperature: 6000 K (neutral white light).
- Number of LEDs: 8.
- Battery: 1.11 Wh (3.7 V / 300 mAh).
- Charging input: USB-C 5 W (DC 5 V / 1 A).

- Dimensions: 67.1 × 57 × 14.3 mm.
- Design: slim, reversible body with magnetic mount and integrated mirror.

COMPATIBILITY :

MagSafe, Certified Qi2
