

SNAPTRAVEL KIT PRO MIDNIGHT

Travel Kit — includes: SnapGrip Pro, SnapStand Selfie and SnapPocket Light

REF : SC-S-AE08-MN

EAN : 0799793507505

EXISTS IN : BLACK

DESCRIPTION :

The SnapTravel Pro Travel Kit is the perfect companion for creators and travelers: a 3-in-1 pack designed to capture, light up, and keep your phone powered anywhere. Compact and modular, it combines a comfortable grip with a built-in power bank, a selfie-stick/tripod that folds to 75 cm, and a powerful, foldable mini light. Everything fits into a travel pouch so your sessions remain quick, easy, and hassle-free, whether you're in the city, on the road, or on vacation.

STRENGTHS :

- Ultra-portable: foldable design and travel pouch that fits in any backpack or bag.
- On-the-go power: built-in power bank for long sessions without hunting for outlets.
- Versatile use: works as a grip, a selfie stick, and a tripod for photos, vlogs, and video calls.
- Reliable lighting: light that's twice as bright as your phone's flash to instantly improve your shots.
- Magnetic, modular setup: accessories snap together quickly and securely.
- Remote control: Bluetooth shutter for selfies and recordings without touching your phone.
- Travel-ready: all the components tuck into a compact, easy-to-carry travel case.

CHARACTERISTICS :

Technical Specifications (by component)

SnapGrip Pro

- Power bank: 5,000 mAh (Qi2 wireless power bank).
- Fast charging: USB-C 20W (input/output for fast charging of the phone).
- Function: ergonomic grip that ensures stable handling; includes wireless charging functionality (Qi2).

- Remote shutter: integrated Bluetooth button for photos and videos.

SnapStand Selfie

- Maximum extension: up to 75 cm.
- Folded: folds down to phone size for maximum portability.
- Usage modes: handheld (hands-free) or as a compact tripod to stabilize shots.
- Design: adjustable angle for vertical and horizontal framing.

SnapPocket Light

- Brightness: up to 2× brighter than a typical phone flash.
- Levels: 4 adjustable brightness levels.
- Features: built-in mirror and foldable hinge to aim the light as needed.
- Battery life: integrated battery with up to ~1 hour of use depending on brightness level.
- Design: compact, cable-free, and magnetic to attach to the rest of the kit.

Connectivity & Compatibility

- Modular magnetic assembly: quick coupling between accessories.
- Compatibility: iPhones with MagSafe (iPhone 12 and newer) and Android phones or iPhones with magnetic ring cases.
- Bluetooth remote control: for triggering shots from a distance.
