

CAMERA CASE S.MOUNT IPHONE 17 PRO MAX DARK

Eco case with integrated S.Mount for iPhone 17 Pro

REF : SC-S-DA74-DG

EAN : 0673926387540

EXISTS IN : BLACK

DESCRIPTION :

The LensUltra S.Mount case combines rugged protection, professional functionality, and sustainable design. Made from 100% recycled fabric and recycled aluminum buttons, it provides drop protection of up to 2?m (MIL-STD-810H certified) and is compatible with the LensUltra ecosystem thanks to its integrated S.Mount system. Swap lenses with a quick 90° twist and add magnetic or MagSafe accessories without losing style: a case designed for creators who want performance, durability, and environmental awareness in a single product.

STRENGTHS :

- Reliable protection: shock resistance up to 2?m for worry-free travel and daily use.
- Integrated S.Mount: fast, secure lens changes with a 90° twist/lock mechanism.
- Eco-friendly and stylish: 100% recycled fabric and recycled aluminum buttons, caring for the planet without sacrificing style.
- Accessory compatibility: works with LensUltra lenses (m12-to-S.Mount converters included), SnapSeries, and MagSafe.
- Creator-friendly design: built-in cold shoe and magnetic mounting to easily add a microphone or light.
- Ergonomics and control: integrated camera button for the iPhone?17?Pro Max.
- Daily practicality: washable fabric (easy maintenance) and slim design for everyday use.

CHARACTERISTICS :

- Exterior material: 100% recycled fabric.
- Buttons: recycled aluminum with precise tactile response.

- Mount system: S.Mount with 90° twist-lock mechanism.
- Included converters: m12 ? S.Mount (for compatibility with LensUltra lenses).
