Universal Lanyard for Electronic Devices

REF : IN-INOM100747

EXISTS IN : racine

DESCRIPTION :

Incase Lanyard, a deliberately simple design that offers maximum utility and security for your device with two usage modes. Attach your device by securing the cord with the custom-designed clip, or choose quick and effortless fastening by looping and directly connecting the cord.

STRENGTHS :

- Integrated cord clip makes it easy to securely fasten to bags, backpacks, or handbags.
- Intentionally designed clip provides a secure fastener to secure your case.
- Braided cord allows for quick, hassle free maneuverability and attachment.
- Soft braided cord ensures maximum comfort when worn as wrist loop.

CHARACTERISTICS :

- Dimensions: 23.3 x 1.0 x 0.8 cm
