

SCOUT CASE AIRPODS 4 BLACK

Case with Active Noise Cancellation for AirPods 4

REF : UA-104130114040

EAN : 0840283920707

EXISTS IN : BLACK, GREEN

DESCRIPTION :

Ultra-lightweight and durable protection for your 4th generation AirPods with Active Noise Cancellation. The Scout combines a slim, easy-to-carry design with an impact-absorbing core that protects against bumps and drops, while maintaining full access to features, wireless charging, and a non-slip finish.

STRENGTHS :

- Rugged protection without added bulk: security and style in a compact form.
- Designed for 4th generation AirPods with ANC: precise fit and full protection.
- Compatible with wireless charging (and MagSafe depending on the variant): charge without removing the case.
- Direct access to the Lightning port and LED indicator.
- Non-slip, scratch-resistant finish for everyday use.
- Includes a hook / carabiner for attaching to bags or backpacks (pack-dependent).
- Ideal for urban use and outdoor activities: reliable, lightweight protection.

CHARACTERISTICS :

- Compatibility: AirPods (4th generation) with Active Noise Cancellation (ANC).
- Materials: rigid external shell (polycarbonate) + impact-absorbing inner core (TPU/gel) to dissipate shocks.
- Drop protection: design tested to MIL-STD-type standards (e.g., 810G 516.6) — please confirm the exact certification.
- Charging: compatible with wireless charging; MagSafe compatibility may vary by product variant.
- Fit: snap-on installation with quick release and secure fit.
- Cutouts and access: precise cutout for the Lightning port and visibility of the status LED.
- Accessories: carabiner/clip included with select versions.

- Finishes: textured, fingerprint-resistant and abrasion-resistant surface.
- Weight and dimensions: ultra-lightweight design with a slim profile for minimal size increase.

COMPATIBILITY :

AirPods 4
