DESCRIPTION :

The Plyo LT Series combines a sleek, translucent design and durable everyday protection. Featuring a featherlight armor shell, impact-resistant core, and air-soft corners, it shields against drops, scratches, and dents. Scratch-resistant skid pads and a raised screen surround add extra defense. The smart folio cover has auto wake/sleep functionality and doubles as an adjustable stand. Complete with a secure Apple Pencil holder, the Plyo LT Series delivers protection and style without compromise.

STRENGTHS :

- **Rugged Construction:** Featherlight armor shell and an ultra-durable impact-resistant core delivers serious drop and shock protection without the bulk.
- **Built-in Kickstand:** Smooth PU folio cover folds into an adjustable kickstand with multiple viewing and typing angles.
- **Interchangeable Colored Camera Rings:** Comes with multiple colors
- **Enhanced Protection:** Air-soft corners cushion impact from drops. Raised screen surround protects the touch screen and camera lens.
- **Precise Fit:** Cutouts provide seamless access to the touchscreen, charging port, camera, and speakers without removing the case.

- **Identification:** Clear back panel is ideal for asset tagging and personalization. Comes with three interchangeable camera ring accents for device identification.
- **Tested for Medical Environments:** Can be sanitized with medical-grade wipes and disinfectants repeatedly without altering case integrity.
