EXISTS IN : BLACK

DESCRIPTION :

Slim and durable sleeve designed to protect laptops and tablets up to 16". It combines a durable, water-repellent exterior with a shock-absorbing core and a soft lining to protect against bumps, scratches, and daily wear, and includes a reinforced handle for comfortable and quick carrying.

STRENGTHS :

- Fits laptops and tablets up to 16" (diagonal).
- Slim profile: protection without adding unnecessary bulk.
- Reinforced handle for comfortable carrying and easy handling.
- Front pocket for accessories: charger, cables, and peripherals.
- Durable exterior with a clean finish, suitable for professional and urban use.
- High-durability zipper closure that keeps the device secure.
- Ideal for users who need reliable protection and easy portability.

CHARACTERISTICS :

- Compatibility: devices with screens up to 16".
- Materials: abrasion-resistant, slightly water-repellent technical exterior (high-density fabric); shock-absorbing core (high-density foam/EVA) to dissipate impacts; soft microfiber-style inner lining to prevent scratches.
- Closure: robust zipper with durable pullers; quick access to the main compartment.
- Handle: reinforced top handle with high-strength stitching for frequent use.
- Organization: front pocket with space for a charger, cable, and small accessories.

- Profile and weight: slim and lightweight design, intended to be carried inside backpacks or used as a standalone sleeve.
- Care: clean with a damp cloth and mild soap; do not submerge or use harsh detergents.

COMPATIBILITY :
