**DESCRIPTION :**

The Satechi Slim EX Wireless Mouse is designed for modern professionals who move seamlessly between devices and workspaces. Featuring dual Bluetooth channels and a 2.4GHz USB-C receiver, it allows instant switching across MacBook, desktops, laptops, and tablets, with no re-pairing required. Quiet click switches and a precision-machined scroll wheel deliver smooth, focused control, while its anodized aluminum construction adds durability and refined style. USB-C rechargeable with a removable battery, Slim EX Wireless Mouse combines long-lasting performance with thoughtful, future-ready design — the perfect companion for a clean, connected workflow.

**STRENGTHS :**

- Slim, elegant design (Slim EX)
- Dual wireless connectivity: Bluetooth and 2.4 GHz
