

USB-C KEYBOARD FOLIO WITH TRACKPAD FOR IPAD 11 & 10.9 (2025/2022 – 11TH/10TH GEN) AZERTY BLACK

USB-C keyboard folio with trackpad

REF : UA-1K4003B14040

EAN : 0840283923838

EXISTS IN : BLACK

DESCRIPTION :

The USB-C keyboard folio combines rugged, lightweight protection with a full-size keyboard and a multi-touch trackpad to turn your iPad into a mobile workstation. Native USB-C connectivity (with additional USB-A and 3.5 mm audio ports), smart power management with no charging or pairing required, and a built-in holder for Apple Pencil and Logitech Crayon. Designed to withstand drops (MIL-STD 810G tested), it features spill-resistant, anti-pull keys, a non-slip surface, and an articulated stand with stable viewing angles for productive use wherever you are.

STRENGTHS :

- Rugged, lightweight protective folio with shock absorption
- USB-C connectivity with additional USB-A and 3.5 mm audio ports
- No charging or pairing required (plug-and-play)
