POCKET GAN 65 W USB-C POWER ADAPTER, DUAL USB-C BLACK

Ultra-compact 65W GaN charger with dual USB-C ports for fast charging and travel

REF : NU-POCK-PD65-BLK-EU

EAN : 4895200491118

EXISTS IN : BLACK, WHITE

DESCRIPTION :

Compact and stylish USB-C charger from Native Union featuring GaN technology: delivers up to 65 W of power in a reduced form factor to quickly charge your laptop, tablet, or smartphone. Ideal for carrying in a bag or backpack and replacing multiple chargers with a single one.

STRENGTHS :

- High power output (up to 65 W) in a compact size with a premium design.
- GaN technology: more efficient and smaller than traditional chargers.
- Dual USB-C ports to charge two devices at the same time.
- Fast charging compatible with most laptops, tablets, and smartphones.
- Design optimized for travel and everyday use (elegant black finish).
- Recognized brand with a minimalist style that matches modern devices.

CHARACTERISTICS :

- Total maximum power: 65 W.
- Typical distribution when using both ports: smart power allocation (e.g., ~45 W + 20 W) for simultaneous charging; a single port can deliver up to 65 W.
- Compatible charging protocols: USB Power Delivery (PD), compatible with PPS (adaptive) and other PD variants.
- Technology: GaN (Gallium Nitride) for higher efficiency and smaller size.
- Ports: 2 × USB-C (cable not included).
- Input range: 100–240 V AC, 50/60 Hz (compatible with international voltages).
- Built-in protection: against overcurrent, overvoltage, overtemperature, and short circuits.

- Standard certifications: compliant with international regulations (CE, RoHS, etc.).

COMPATIBILITY :

USB-C to USB-C, USB-C to Lightning
