

TUNE 680 NOISE CANCELLING BT BLACK

Wireless noise-canceling on-ear headphones

REF : HA-JBLT680NCBLK

EAN : 1200130030444

EXISTS IN : BEIGE, BLACK, BLUE, WHITE

DESCRIPTION :

Pure Bass, Noise-Free

Your music takes center stage with the JBL Tune 680NC wireless headphones. JBL Pure Bass sound and immersive spatial audio surround you with clear, powerful music, while Adaptive Noise Cancelling helps block out distractions. The sleek over-ear design and subtle metallic accents highlight the elegant color options. With up to 76 hours of battery life, you can go an entire week between charges. Need a quick boost? Five minutes of charging gives you five extra hours, or simply plug in the detachable cable to keep enjoying your music.

With two microphones that accurately capture your voice, calls are crystal clear on both ends. Seamless Bluetooth® switching keeps you connected across all your devices, while easily customizing your music and call sound with the JBL Headphones app. Lightweight enough for all-day wear, yet foldable to slip easily into any bag when you pause your music. From morning podcasts to late-night playlists, the JBL Tune 680NC headphones are designed to keep up with your lifestyle and stand out.

STRENGTHS :

High-Resolution JBL Pure Bass and Spatial Sound

JBL Pure Bass sound adds depth, power, and energy to everything you listen to. The custom 32 mm drivers deliver rich and dynamic sound, whether you're at work or immersed in your playlist. Our exclusive JBL Spatial Sound technology surrounds you with your music as sound naturally flows in all directions on any device. For even more detail and clarity, enjoy high-resolution audio through the included USB-C 3.5 mm audio cable.

Adaptive Noise Cancelling and Smart Ambient Technology

Adaptive Noise Cancelling automatically adjusts to eliminate distractions, whether you're focused on work or immersed in music. Use Ambient Aware and TalkThru to hear your surroundings or participate in conversations without removing your headphones. Easily manage everything with the JBL Headphones app.

2 Beamforming Microphones for Perfect Calls

Two beamforming microphones accurately capture your voice without background noise, while our latest noise-reduction technology filters ambient sound in noisy environments. Whether you're on a conference call in a busy café or chatting with a friend during your commute, your voice comes through clearly and audibly.

Up to 76 Hours Battery Life + Fast Charge

With a maximum battery life of 76 hours*, your JBL Tune 680NC headphones last longer than your longest playlists. Need a quick boost? Five minutes of charging gives you five hours of additional playback. When it's time to fully recharge, you'll get 100% in about two hours**.

*With ANC and Bluetooth off. You can get up to 50 hours with them on.

**Charging cable not included.

Multipoint Connection with Bluetooth® 6.0

Pair your headphones to two Bluetooth® devices, then switch effortlessly between them. Watch a movie on your tablet in the airport lounge without missing boarding announcements from your phone. With Bluetooth® 6.0, enjoy high-quality streaming with low power consumption and latency. Audio stays perfectly synchronized, whether you're on a video call or watching a movie.

Lightweight, Comfortable, and Foldable

Stay comfortable no matter how long you listen, thanks to soft over-ear cushions and a lightweight, padded headband. When it's time to move on, your JBL Tune 680NC folds flat for easy storage in your everyday bag.

Customize Your Sound with the JBL Headphones App

Use the JBL Headphones app to configure Personi-Fi 3.0 and shape your music to match your audio profile. Customize the EQ, choose presets, control Smart Ambient settings, and more.

Google Fast Pair and Microsoft Swift Pair

Pairing on Android or Windows 10/11 has never been easier. Just turn on your JBL Tune 680NC headphones and follow the instructions. No menus, no delay, just seamless listening.
