DESCRIPTION :

Purebass, wireless

Enjoy your sound with the style, comfort, and freedom of the JBL Tune 730BT wireless headphones. With their sleek over-ear design and bold profile, they don't just look good, they make a statement. Soft, cushioned headphones immerse you in JBL Pure Bass sound, delivering powerful audio while enveloping you in comfort all day long. With up to 76 hours of battery life, you can listen to your sound longer without missing a beat. And when you run low, a quick 5-minute charge gives you up to 5 hours of additional battery life. With 2 microphones that accurately capture your voice, calls are crystal clear on both ends. Seamless Bluetooth® connectivity lets you easily switch between devices, so you're always connected to what matters. Customize your sound with the JBL Headphones app, guided by clear voice prompts that simplify setup. Foldable, lightweight, and designed to complement your style, the Tune 730BT headphones are made for those who want more impactful sound.

STRENGTHS :

Features & Highlights

JBL Pure Bass Sound

JBL Pure Bass sound adds depth, power, and energy to everything you listen to. Custom 40mm drivers deliver rich, dynamic sound, whether you're getting ready for the day, relaxing, or immersing yourself in music.

Customize your sound with the JBL Headphones app

Make the sound your own with EQ presets. Choose Default mode for balanced listening, Bass mode for more impactful sound, or Vocal mode to highlight vocals. Built-in voice prompts confirm your selections, so you always know exactly which mode you're in.

2 beamforming mics for perfect calls

Two beamforming mics on each ear cup accurately capture your words and reduce background noise. So whether you're on a conference call in a busy cafe or chatting with a friend on your commute, your voice is clear and audible.

Up to 76 hours of battery life

With up to 76 hours of battery life, your JBL Tune 730BT headphones will outlast even your longest playlist. Need a quick boost? Five minutes of charging gives you five hours of playback. And when it's time to recharge, you'll get 100% in about two hours.*

* Charging cable not included

Multipoint connection with Bluetooth® 6.0

Pair your headphones with two Bluetooth® devices, then switch between them effortlessly. Watch a movie from your tablet in the airport lounge without missing any boarding announcements from your phone. With Bluetooth® 6.0, enjoy high-quality streaming with reduced power consumption and latency. So the audio stays perfectly in sync, whether you're video chatting or watching a movie.

Lightweight, comfortable and foldable

Stay comfortable no matter how long you listen, thanks to the soft over-ear cushions and lightweight, padded headband. And when it's time to move on, your JBL Tune 730BT folds flat for easy storage in your everyday bag.

Google Fast Pair and Microsoft Swift Pair

Pairing with Android or Windows 10/11 has never been easier. Just turn on your JBL Tune 730BT headphones and follow the instructions. No menus, no delays, just smooth listening.
