Discover the JBL Tune 530C USB-C headphones, your daily source of bold sound and bold style. High-resolution audio and JBL Pure Bass sound add incredible clarity to every playlist, podcast, or call. Soft ear cushions and a padded headband ensure all-day comfort, while fresh colors and iconic details add a touch of personality. Control your music and take calls without missing a beat with the universal 3-button remote with built-in microphone. The flat USB-C cable is incredibly tangle-resistant and compatible with multiple devices, while the foldable design allows you to take your headphones anywhere: to work, to the gym, or just to your couch. Put on your JBL Tune 530C USB-C and add an extraordinary touch to your everyday life.

STRENGTHS :

JBL Pure Bass Sound

JBL Pure Bass sound brings depth and energy to everything you listen to. Our 33 mm speakers deliver rich, powerful sound, whether you're pumping yourself up, relaxing, or just enjoying the moment.

High-resolution sound

Hear every detail as it was meant to be heard. With 96 kHz/24-bit high resolution sound powered by an integrated DSP, the music you love delivers a richer, more intense listening experience than you ever imagined.

Wide compatibility

Almost all digital audio devices now feature a USB-C connection, so you can plug your JBL Tune 530C headphones into almost any device, including PCs, mobile phones, game consoles, tablets, and laptops.*

* Please check USB-C compatibility with your device.

3-button remote with microphone

Take calls, skip tracks, adjust volume, and even change EQ presets without missing a beat. The built-in microphone and three-button remote put everything you need at your fingertips.

Easy EQ presets

Keep the default EQ settings for a balanced and full sound. Want more power? Switch to Bass mode for an even more powerful sound. Like to focus on the lyrics? Vocal mode brings vocals to the forefront with even more presence and detail. Your sound, your way.

Lightweight, comfortable, and foldable

Stay comfortable no matter how long you listen, thanks to soft on-ear cushions and a lightweight, padded headband. And when it's time to move on, your JBL Tune 530C USB-C folds flat for easy storage in your everyday bag.

Flat, tangle-free cable

Our flat USB-C cable stays smooth and tangle-free, with no knots, no frustration, whether you're carrying it or putting it in your bag. Reinforced connections add extra durability for easy everyday use.
