**ONTHEGO™ FOLDABLE STAND HUB
SPACE BLACK**

USB-C Stand & Hub for iPad

REF : SA-ST-GOTGFC

EAN : 0810086362820

EXISTS IN : BLACK

**DESCRIPTION :**

Turn your iPad into a complete workstation with this stand featuring a built-in USB-C hub. It's foldable, easy to carry, and lets you connect a display, storage devices, audio, and charge your device with a single cable. Perfect for studying, working, or traveling while keeping your desk tidy and your iPad always ready.

STRENGTHS :

- Foldable and portable stand, perfect for desktop or on-the-go use
- Space Black aluminum design, elegant and durable
- Unfolds in seconds and stores the cable in an internal compartment
- Up to 100W pass-through fast charging (depending on the charger)
- 4K video output at 60 Hz for monitors or TVs
- Compatible with all USB-C iPads, USB-C iPhones, MacBooks, and most USB-C devices
- Ideal for extending the iPad Pro display with iPadOS 16.2 or later
