Qi2 Wireless Charging Base – 15W

REF : CY-CY5790PPWIR

EAN : 848116052274

EXISTS IN : BLACK, WHITE

**DESCRIPTION :**

Charge your iPhone quickly, safely, and wirelessly with this Cygnett Qi2.0 wireless charger. Compatible with MagSafe and the new Qi2 certification, it provides fast charging up to 15W for iPhones and other Qi devices, keeping them secure thanks to its powerful built-in magnets.

Its minimalist and compact white design fits any desk, bedside table, or office. It includes a discreet LED indicator to show charging status and advanced protection against overheating and overcharging, so you can leave your device charging with complete peace of mind. Perfect for daily use, at home or at work.

STRENGTHS :

- **15W fast wireless charging:** Suitable for charging iPhone & Android phones.
- **Adjustable viewing angles:** Position your phone portrait or landscape and tilt your phone up to 70° for the perfect view.
- **Convert to charging pad:** Fold it flat to create a compact wireless pad, perfect for charging earbuds.
- **Precise magnetic alignment:** Built-in magnets snap your device perfectly into place for a secure, steady charge every time.
- **MagSafe compatible:** Compatible with any phone or earbuds that support either Qi or Qi2 wireless charging.
- **2 year warranty:** Enjoy peace of mind with coverage for two years.
