DESCRIPTION :

Charge your iPhone, Apple Watch, and AirPods simultaneously with this 3-in-1 wireless charger, ideal for your desk, bedside table, or travel. It features a smartphone base, an Apple Watch module, and a dedicated area for wireless earbuds, all in one compact device.

Its retractable input cable keeps your space tidy and tangle-free: simply extend it when needed and store it when done. It provides stable fast charging, with overheat and overcharge protection, ensuring a safe experience for all your Qi-compatible devices.

Modern and minimalist design that blends seamlessly with any environment, making it an elegant and practical solution to keep all your devices charged and ready.

STRENGTHS :

- **Fast wireless charging:** Charge all your Apple essentials in one place: iPhone (15W), Apple Watch, and AirPods.
- **Built-in retractable cable:** The 70 cm USB-C cable retracts neatly for easy portability. Pull out the cable and adjust the length to power your MagStand.
- **Tested 5000+ times:** The built-in cable has been tested through over 5,000 retraction and extension cycles, ensuring durability.
- **Simultaneous charging:** Power up your iPhone, AirPods, and Apple Watch at the same time.
- **Multiple viewing angles:** Adjust the tilt from 0-60° for the perfect viewing position or fold it down into a compact wireless charging pad.
- **MagSafe compatible:** Compatible with any phone or earbuds that support Qi or Qi2.0 wireless charging.
- **2-year warranty:** Enjoy peace of mind with coverage for two years.
