

SAMSUNG S26 ULTRA CASE PYLO MAGSAFE BLUE OMBRE

MagSafe-compatible case for Samsung Galaxy S26 Ultra

REF : UA-214539115E5E

EAN : 840283927638

EXISTS IN : CLEAR, CLEAR, BLUE

DESCRIPTION :

The UAG PLYO case combines crystal-clear transparency with high-level protection. Thanks to its ultra-lightweight composite construction, Air-Soft corners, and built-in magnetic module compatible with MagSafe, it effectively protects your smartphone against drops of up to 4.8 meters while showcasing its design—even in demanding medical environments.

STRENGTHS :

- Transparent case that showcases the smartphone's design
- Rigid outer "armor shell" with a soft, impact-resistant core
- Air-Soft corners for enhanced cushioning during drops
- Featherlight composite construction
- Large, tactile buttons for improved user comfort
- Easy access to the screen, ports, and S Pen (on Ultra models)
- Raised screen and camera bezels for added protection
- Tested and approved for medical environments
- Integrated anchor points and compatible with lanyard strap / tether card

CHARACTERISTICS :

- Rigid PC backplate
- Shock-absorbing TPU frame
- Air-Soft corners for energy dispersion upon impact
- Raised perimeter to protect the screen when placed face down
- Built-in magnetic module with visual indicator, compatible with MagSafe

- Dedicated opening for the S Pen (Ultra models only)
- Drop protection tested to 3x military standard (Mil-Std 810G 516.6)
- Drop protection up to 16 ft / 4.8 m

COMPATIBILITY :

Samsung Galaxy S26 Ultra
