**CAMERA HUB G350 SELECT**

G350 Select Camera with 4K Wide Angle, 2.5K Telephoto, and 9X Hybrid Zoom

REF : AQ-CH-C14D

EAN : 6978350350042

EXISTS IN : WHITE

DESCRIPTION :

The Aqara Camera Hub G350 Select smart camera redefines home monitoring with native support for the Matter 1.5 standard, allowing seamless integration with major smart home platforms. Its dual-lens system combines an ultra-wide 4K camera with a 2.5K telephoto lens, delivering smooth 9x zoom to capture every detail from near or far. Featuring AI-powered automatic tracking, 360° panoramic coverage and advanced local detection, it effectively monitors your home while reducing false alerts. Its high-quality two-way audio allows remote communication, while flexible local and cloud storage options ensure data security. Thanks to its built-in Zigbee hub and Matter controller functionality, it also becomes the central hub of your smart home ecosystem, offering a simpler, smarter and more secure connected home experience.

STRENGTHS :

- First Aqara camera compatible with Matter 1.5 for easy integration with major smart home platforms
- Dual-lens system: ultra-wide 4K camera + 2.5K telephoto lens with smooth 9x zoom
- AI-powered automatic tracking to keep people and pets perfectly in frame
- 360° panoramic view with smooth pan and tilt movement
- Advanced local AI detection: people, pets, faces, gestures and voice
- High-quality two-way audio for remote communication
- Compatible with Apple Home, Google Home, Alexa, SmartThings and Home Assistant
- Built-in Zigbee hub and Matter controller to connect and manage smart home devices
- Flexible storage options: microSD card up to 512 GB, NAS or secure cloud storage
- Discreet infrared night vision for clear images even in low-light conditions
