It's time to live life to the fullest

The **JBL Xtreme 5** speaker delivers the legendary JBL sound with even more power and enhanced clarity. Thanks to **AI Sound Boost**, it guarantees spectacular bass, even at full volume.

The new **edge ambient lighting** transforms your music into a true visual experience, with pulses and variations that move with every beat. Choose your vibe, from a soft sunset glow to a dynamic pulse, and enjoy clear indicators for power, pairing, battery level, and **Auracast™**.

Built to move and made to last, the **Xtreme 5** speaker is ultra-durable. Certified **IP68**, it is waterproof, dustproof, and drop-resistant for real-world durability. The floating hooks and **adjustable shoulder strap** make it easy to carry anywhere.

With **up to 24 hours of battery life**, plus **an extra 4 hours with Playtime Boost**, it's ready to keep the music going all day... and all night.

And you can go even further: **lossless audio capability** delivers incredibly pure sound, where every beat can be felt. You can also use **Auracast™** to connect multiple compatible JBL speakers and create an epic soundstage that fills the entire room.
