ASPEKT 32" 4K UHD DOCKING MONITOR WITH 145W USB CHARGING SPACE GREY MATTE

32" 4K UHD touchscreen docking monitor with 145W USB charging.

REF : AL-32A4KPDMSGR

EAN : 9350784105691

EXISTS IN : GREY, SILVER

DESCRIPTION :

The **Aspekt 32" 4K UHD Docking Monitor** is designed for professionals looking for a powerful and streamlined workspace. Its 32-inch IPS 4K display provides exceptional detail and accurate color reproduction, making it ideal for photo editing, graphic design, and video production. With its integrated USB-C docking station, a single cable connects your laptop, powers your device, and links your peripherals, Ethernet network, and additional displays. Featuring wide color coverage, multi-platform compatibility, and extensive connectivity, this monitor becomes the central hub of your modern workstation.

STRENGTHS :

- 32" 4K monitor designed for productivity and multitasking
- Docking station integrated directly into the monitor
- Single USB-C cable for video, data, and laptop power
- Total USB charging power up to 145W (ideal for laptops and devices)
- Reduces the need for external docks, chargers, and adapters on the desk
- Multiple ports to connect keyboard, mouse, drives, and other peripherals
- Integrated wired network connection for a more stable connection at home or in the office
- Clean and professional design, perfect for modern workspaces
- Ideal for remote work, corporate offices, and minimalist setups
- Compatible with Windows laptops, macOS, and modern USB-C devices
