32" 4K UHD touchscreen monitor with docking and 145W USB charging.

REF : AL-32A4KPDTMSGGR

EAN : 9350784105714

EXISTS IN : GREY, SILVER

DESCRIPTION :

The ALOGIC Aspekt Touch 32" 4K is an all-in-one touchscreen monitor dock that turns your desk into a powerful workstation with a single cable. Enjoy a large 32" 4K display with touch control for more intuitive work, while charging your laptop and connecting all your peripherals directly to the monitor.

Important: this model is sold **without a stand/base**; it includes the display only. It is designed to be used with a compatible VESA arm or stand.

STRENGTHS :

- 32" 4K monitor with touchscreen for more intuitive interaction
- Integrated docking function: monitor and workstation in a single device
- Single USB-C cable connection: video, data, and laptop charging
- Total USB charging power up to 145W (ideal for laptops and other devices)
- Replaces an external dock and multiple chargers, reducing cables and desk clutter
- Multiple ports to connect keyboard, mouse, storage, network, and more directly to the monitor
- Large 4K workspace for multitasking, editing, and professional use
- Modern and professional design, ideal for offices, studios, and premium home offices
- Compatible with Windows laptops, macOS, and other USB-C devices with video support
- VESA mount ready: perfect for adjustable arms and stands
- Sold **without stand/base**: display only for maximum installation flexibility
