EXISTS IN : GREY

### **DESCRIPTION :**

The ALOGIC Clarity Fold Touch 32" 4K is an all-in-one touchscreen monitor designed to work, create, and present with complete freedom. Its large 4K display delivers spectacular image quality, while the foldable "easel" stand allows you to use it as a traditional monitor, a digital drawing table, or a presentation display.

With a single USB-C cable you get 4K video, data transfer, and up to 65W charging for your laptop. It includes a built-in webcam, microphone, and speakers for professional video calls without extra accessories. A versatile and premium monitor, perfect for creative studios, modern offices, and flexible workspaces.

### **STRENGTHS :**

- 32" 4K UHD monitor with professional image quality
- Multipoint touchscreen for fast and intuitive interaction
- Foldable "easel" stand included: monitor, drawing table, and presentation display in one
- Easy height and tilt adjustment for working seated, standing, or drawing on the screen
- Single USB-C cable for 4K video, data, and laptop charging (up to 65W)
- Reduces docks, chargers, and loose cables: cleaner, more organized desk
- Built-in webcam with microphone for instant video calls
- Integrated speakers for a true all-in-one solution
- Premium aluminum and glass design, ideal for modern offices and studios
- Perfect for design, illustration, editing, presentations, education, and advanced home office
