

CLARITY 6K TOUCH 32" UHD MONITOR WITH USB-C POWER DELIVERY AND TOUCHSCREEN

Professional 32" 6K touchscreen monitor delivering exceptional image clarity and USB-C connectivity for modern workspaces.

REF : AL-32C6KPDTF

EAN : 9350784105028

EXISTS IN : GREY

DESCRIPTION :

The **Clarity 6K Touch 32"** is built for professionals seeking exceptional image quality and advanced touch interaction. Its 32-inch 6K IPS display provides outstanding detail and color accuracy, making it ideal for content creators, designers, and video editors. The multitouch display allows users to interact directly with their work, while stylus compatibility enables precise drawing and annotation. USB-C connectivity simplifies setup by delivering video, data, and power through a single cable, making this monitor the centerpiece of a modern workstation.

STRENGTHS :

- 32" 6K display with extreme detail for professional work
- Multipoint touchscreen technology for direct, fast, and intuitive interaction
- Designed for photo and video editing, graphic design, 3D, and high-resolution content
- Professional-level color fidelity for critical workflows
- Large workspace: more room for timelines, panels, and multiple windows
- Premium Clarity design: aluminum and glass finish, thin bezels, minimalist aesthetics
- Ideal for creative studios, agencies, content creators, and high-end home offices
- Compatible with modern systems (Windows/macOS) and demanding professional environments
