PROTECTOR ULTRA- WIDE FIT W.
EASYALIGNER SAMSUNG S26 PLUS**

Screen protector

REF : PG-SA70947

EAN : 5715685033957

EXISTS IN : CLEAR

DESCRIPTION :

SAFE. by PanzerGlass[®] is a screen protector made from 60% recycled material that acts like a discreet airbag for your phone—absorbing impacts and resisting scratches while maintaining screen clarity and touch functionality. It has a smudge-resistant coating, arrives in recyclable FSC[™] packaging, and is designed to extend your phone's life so it can be reused or passed on. Installation is quick and foolproof thanks to an EasyAligner, step-by-step instructions, and a QR code linking to a how-to video. Pair it with a SAFE. camera lens protector for full 360° protection.

STRENGTHS :

- 60% recycled material construction
- Impact-absorbing “airbag” protection and high scratch resistance
- Smudge-free coating to reduce fingerprints and grease
- Recyclable FSC[™] certified packaging
- EasyAligner + printed instructions + QR how-to video for simple installation
- Compatible with SAFE. camera lens protector for complete protection

COMPATIBILITY :

Samsung Galaxy S26 Plus
